2024 QURBANI/UDHIYAH REPORT

June - July 2024

WHAT WE DID

We provided fresh meat to vulnerable Muslim families living in nine countries.

WHY WE DID IT

Eid al-Adha is celebrated by Muslims around the world to commemorate the completion of Hajj, the annual pilgrimage to Mecca. It is observed through the sacrificial slaughter of animals, known as Qurbani, to honor the willingness of Prophet Ibrahim (AS) to sacrifice his son, Ismail (AS). With your donations, Penny Appeal USA is committed to making the Islamic duty of Qurbani accessible and beneficial for all.

The vulnerable families who received your Qurbani distributions this year have many different stories: some are refugees who were forced to flee their homes; some are experiencing economic hardships and struggle to feed their children; and some are experiencing prolonged physical illnesses. For these families, your donations allowed them to celebrate Eid al-Adha with a nourishing meal and a joyful heart.

Voices from the Field

Dear Donor,

I stand before you today with a heart full of gratitude and appreciation for the kindness and generosity that has been extended to me and my family. As a Lebanese elderly woman, living with my children and husband, battling health problems in a situation of financial hardship, the gift of fresh Qurban meat has truly touched our lives in ways words cannot fully express.

The thoughtfulness and compassion behind this gesture have reminded us that we are not alone in our struggles, that there are kind souls out there who care for us and wish us well.

To all those who made this gift possible, who took the time and effort to share their blessings with us, I offer my deepest thanks.

May your generosity be repaid; may your hearts be filled with the same warmth you have brought into ours.

With gratitude,
Ibtisam Alaa Din, Lebanon
